

Teacher's Feedback Report (2025-26)

The feedback analysis report is based on the responses received from Permanent Faculty members of Chaman Lal Mahavidhyalya (Autonomous). The survey consisted of 21 questions, covering various aspects of the institutions, including faculty information, teaching-learning environment, infrastructure, administrative support and overall experience.

Feedback Analysis Report

Teaching Learning Environment:

1. Curriculum relevance: 100% faculties were satisfied or highly satisfied.
2. Teaching resources: Majority rated resources as Very Good or Excellent.
3. Innovative teaching support: 100% felt supported or strongly supported.
4. Student engagement: Most rated engagement as Good to Excellent.
5. Professional development: All respondents were satisfied or highly satisfied with workshops, seminars, and research support.

Infrastructure and Administrative Support:

1. Faculty workspaces received predominantly Very Good/Excellent ratings.
2. Laboratory facilities were largely satisfactory.
3. IT infrastructure was rated Good to Excellent, though improvements were suggested.
4. Administrative support was considered effective by almost all respondents.
5. Support for extracurricular activities received high satisfaction ratings.

Suggestions:

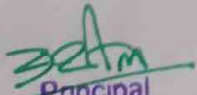

1. Upgrade digital infrastructure and smart classrooms.
2. Improve internet connectivity and ICT resources.
3. Expand library and research resources.
4. Conduct more faculty development and skill enhancement programmes.
5. Strengthen student career guidance and mentoring activities.
6. Increase industry-academia collaboration.
7. Improve campus facilities including washrooms and common areas.

Result:

The feedback analysis highlights areas of strength and weakness. By addressing the concerns and implementing suggestions, the institution aims to improve the work environment, faculty satisfaction, and overall quality of education.

Recommendations:

1. Infrastructure Upgrades: Establish smart classrooms, Upgrade internet bandwidth and campus-wide connectivity, Modernize laboratories and faculty workspaces, Improve sanitation and common facilities.

2. Professional Development: Increase FDPs, workshops, and research methodology programmes, Encourage publications, projects, and conference participation, Provide training in digital pedagogy and NEP implementation.
3. Student Support Services: Strengthen mentoring and counselling mechanisms, Organize career guidance, placement, and competitive examination support, Expand remedial and bridge courses for academically weaker students.
4. Industry Partnerships: Develop MoUs with industries and professional organizations, Arrange internships, industrial visits, and expert lectures, Promote collaborative projects and skill-based training.

Implementation Plan:

1. Infrastructure Upgrades:

- Smart classroom expansion, Wi-Fi and ICT enhancement.
- Infrastructure maintenance and renovation.

2. Professional Development:

- Identify training needs and opportunities.
- Develop a schedule for regular workshops and training sessions.
- Invite industry experts and academic professionals to conduct programme.

3. Student Support Services:

- Access current students support services.
- Develop a plan to enhance counselling and Mentorship programmes.
- Skill development and employability programmes.

4. Industry Partnerships:

- Identify potential industry partners.
- Develop a plan for outreach and collaboration.
- Establish internship opportunities and job placement programmes.
-

Responsibility:

1. Infrastructure Upgrades: Administration, Management and College Campus Committee.
2. Professional Development: Academic Committee/Research Committee.
3. Student Support Services: Student Welfare Committee.
4. Industry Partnership: Career Counselling Cell.

Action Taken:

1. Infrastructure Development:
 - Rainwater harvesting system has been developed and installed on the campus.
2. Professional Development:
 - Along with training programs, guest lectures on various topics were organized to enhance professional development of students and faculty.
3. Student Support Services:
 - To improve student support services, the Student Welfare Committee monitored the mentorship program regularly.
4. Internships:
 - Internships were provided to all students of the Library Science department to give them practical exposure.
